Round 3 schedules will be distributed after Round 2 is completed. The final round will be ceded using the final standings after 2 complete rounds - That is, the first place team will play the second place team the last week of the season; the the third place team will play the fourth place team the last week and so on. The team who is higher in the standings will be the home team the last week of the season. The schedules will be drawn up based on this arrangement. If Dollar Bill's 1 and 2 and/or Jordan Bar 1 and 2 both end up with a home game, the team with the better record will keep the home game and the other will shoot away.

Note: Games start at 7:00PM with a 15 minute grace period.

All Scores can be texted to Ann Lyshik @ 715-630-3222 by the next day.

Good Luck to all Teams!!!
